## Mammography Screening\*

Lawrenceburg Event Center  
Thursday, October 5, 2017 | 9:00 a.m. - 2:00 p.m.

Appointments will be made in 10-minute intervals and patients should expect to spend 30 minutes on board the van.

\*Not a Free Screening

Call today to schedule: **812-532-2611**

Screening mammograms are provided for women ages 40 and older.

Screening mammograms are recommended every 12 months, no more than one month prior to the previous year's screening mammogram.

Note: If you are scheduling an appointment in fewer than 12 months, it is your responsibility to ensure that your insurance company will cover your exam; otherwise, you may be responsible for any charges. If you receive Medicare benefits, under no circumstance are you able to receive a screening mammogram fewer than 12 months from your previous year's screening.

Uninsured or underinsured? Funding may be available for those who qualify through the Indiana Breast Cancer Awareness Trust. Please call the DCH Breast Care Center prior to the screening date for more information at **812-537-8383**.

Health Made Better, Together.
