---

Consistent with its mission to deliver quality and affordable care, improve the health of our community and embody excellence in all we do, Highpoint Health is committed to providing Financial Assistance to every person in need of medically necessary treatment even if that person is uninsured, underinsured, ineligible for other government programs, or unable to pay based on their individual financial situation.

Highpoint Health provides financial assistance to medical indigent patients meeting the eligibility criteria outlined in the Financial Assistance Policy. After the patient's account(s) is reduced by the financial assistance adjustment based on policy, the patient is responsible for the remainder of his or her outstanding patient account which shall be no more than amounts generally billed (AGB).

The Look Back Method is used to determine AGB for the previous 12 month year period. Patients or members of the public may obtain this summary document at no charge by contacting the hospital billing office at 812-537-8180 , by visiting Highpoint Health's registration @ Cashier's Office, 600 Wilson Creek Rd Lawrenceburg, IN 47025 or on our website @ <https://www.myhph.org/patients-visitors/pay-my-bill/>

Amounts Generally Billed is the sum of all amounts of claims that have been allowed by health insurers divided by the sum of the associated gross charges for those claims.

Allowed Amount = Total charges less Contractual Adjustments

**2020 AGB Percentage = 30%**

If no contractual adjustment is posted then total charges equals the allowed amount
