HIGHPOINT HEALTH IS KEEPING YOU SAFE

COVID-19 Safety Precautions

- Screening for COVID-19 symptoms at the door
- Face masks required for everyone, regardless of symptoms
- Sanitizing stations throughout the facility
- Frequent disinfecting and deep cleaning
- Separate care areas for COVID-19 and non-COVID-19 patients
- Staggered appointments to minimize people in a given area
- Proper PPE for all team members
- Chairs in public spaces spaced for social distancing

Your safety is and always will be our highest priority.
We're in this together.
