

FREE digital screening mammograms

The Highpoint Health Breast Care Center, with generous funding from the Indiana Breast Cancer Awareness Trust, provides free digital screening mammograms for women who meet certain guidelines:

- age 40 and older
- Indiana resident
- must have no current symptoms of breast cancer
- must have limited resources/assets and meet income guidelines
- must have a physician or nurse practitioner to whom your results will be sent for follow-up

To make an appointment or to see if you qualify, please call:
812-537-8383 or 800-676-5572, ext. 8383
